

## **Simon community parade thanks**

Dundalk Simon Community said last week they were privileged to be part of the best St Patrick's Day parade seen in Dundalk in recent times.

A spokesperson for the organisation said: 'The reception the parade received from Dundalk people was brilliant and to top it off the sun shone the whole way through keeping up with the theme of 'Bright Green and Go'.'

Dundalk Simon Community would like to thank all the adults, children and volunteers who participated in the parade on behalf of the organisation because without them it would not have been possible to enter the event.

The spokesperson said: 'It was great to see that local businesses were as willing as ever to help the Dundalk Simon Community in this current economic climate and our thanks go to Conor Hughes, Blackrock Music Store, Richard Macken, Photo Xpress, and David Ginnity, manager of Heatons, for their very generous support.'
